

## **DREAM BIG**

**Know though, that things worth doing  
seldom come easy.**

**There will be good days.**

**There will be times when you want to turn around,  
pack it up, and call it quits.**

**Those times tell you that you are pushing yourself,  
that you are not afraid to learn by trying.**

**If there was ever a time to dare,**

**to make a difference,**

**to embark on something worth doing,**

**it is now!**

**Not for any grand cause, necessarily –**

**but for something that tugs at your heart,**

**something that's your aspiration, something that's your dream.**

**You owe it to yourself to make your days here count.**

**Have fun, dig deep, stretch.**

**Persist. Because with an idea, determination,**

**and the right tools, you can do great things.**

**Let your instincts, your intellect,**

**and your heart guide you.**
